

THE WATER MILL MUSEUM

PROGRAMS & EVENTS ✨ SPRING & SUMMER 2011

THE WATER MILL MUSEUM'S REFURBISHED, AIR-CONDITIONED DISCOVERY ROOM
IS MADE POSSIBLE BY YOUR GENEROUS GRANTS AND DONATIONS

MAY 21 at 10 AM - LECTURE AND UPDATE- THE STATE OF PRESERVATION IN SOUTHAMPTON

The Southampton Town Landmarks & Historic Districts Board (LHDB) will focus on historic preservation; specifically about the current state of preservation in Southampton and how protected or unprotected the various hamlets may or may not be. Please join us at the Water Mill Museum on Saturday May 21st at 10am to hear this important historic preservation update. For more information you may contact Sally Spanburgh at stlhdb@optonline.net, or (917) 743-3963. No registration necessary. Admission is free, donations are welcome. Refreshments will be served.

May 27, June 3, 10th 11 AM –1 PM - 3 sessions - DRAWING 101: IN THE DISCOVERY ROOM

Linda Capello's 2-hour drawing class for teens and adults makes drawing fun and simplifies the process. Linda is a figurative artist and teacher, working extensively on the East End at the Southampton Cultural Center, Guild Hall, The Parrish Museum, The Art Barge and with private clients.

Register in advance at lindacapello4@gmail.com, or (631) 725-5851

Program fee: \$100. Includes all 3 sessions. Bring your own art supplies. More at: www.lindacapello.com

June 6, 13, 20th at 1 to 3 PM - 3 sessions - PAINTING: GETTING STARTED, STAYING WITH IT

Aubrey Grainger's 2-hour painting class for adults takes the area in and around our Museum and turns it into the exclusive subject matter for your painting class. Aubrey is an original member of Plein Aire Peconic; a group of landscape painters and photographers whose work benefits the Peconic Land Trust, and she has shown her work at a number of galleries on the east end and Westchester. Register in advance at aubrinab@optonline.net or at (631) 537-7497 Program fee: \$100. Includes all 3 sessions. Bring your own art supplies.

September 23, 24, 25 - 11 AM– 4 PM – NY FISHING 'BAITS' AND LURES FROM THE 1940'S & 50's

Bob Jones, a founding member of the *Salt Water Lure Collector's Club* and Frank Pintauro will be on hand to discuss the history of builders of NY Fishing Baits during the years following WWII; displaying multiple examples of the works. Welcome to bring your lures and other relevant memorabilia to show and discuss. Bob will offer appraisals. It's a rare chance to learn more about early Striped Bass lures from the NY area. For more information, contact Bob Jones at jonesbeachbob@gmail.com or call (631) 726-0120 No registration necessary. Admission is \$10. Bob Jones is generously donating all the entry fees to the Museum's general fund.

October 15, 16 – 11 am to 4pm – WATER MILL AUTUMN CRAFT EVENT

Diana Conklin, artistic creator of botanicals for the home and garden welcomes teens and adults to the Discovery Room this weekend for creative crafting sessions. Dried flower wreaths, sprays, arrangements perfect for keepsakes and holiday giving made fun and easy to compose. For more information, contact Diana Conklin at Deverlastings@cs.com or call (516) 639-7667 Registration and Admission details to follow.
